Unique Selling Point

The combination of our high quality workmanship, expertise and quick deliveries offer a strong foundation.

A very good relationship with our main shirting fabric whole sale supplier who offers an extensive stock for immediate supply.

A price-performance oriented ratio for small to large orders.

A separate production line for bespoke made to measure shirts and bulk production lines for mini-bulk and bulk.

No minimum order quantities (MOQ).

In-house embroidering.

Strictly standardized quality control for fabrics, trims and accessories as well as the garment production and output.

AQL 2.5 standard for bulk and single piece quality control for bespoke made to measure.

Safe production and working environment.

A pleasant working atmosphere with air conditioning and a 20% higher earning for all employees than the local standard.

Located in Hanoi, Vietnam; by tradition a very skillful sewing place.

Shipments by sea and mostly air. Efficient and cost effective logistical solutions with favorable rates for B2B.
